SMALL BUSINESS

AT SOLVERA, we understand the challenges small businesses face, especially in hiring and retaining good employees. And we realize that healthcare is a major concern for you and your team.

Through our **Solvera | Work offerings**, we can customize affordable healthcare options designed to support the primary care needs of your employees.

5 WAYS WE CAN CUSTOMIZE OPTIONS

1

Finding Health Insurance Options for Employees

Our on-site insurance specialists can help identify affordable plans that may support underserved or underinsured employees.

2

Developing Membership Options for Employees

For a small annual fee, we can provide primary care services to employees with transparent pricing to ensure they're receiving the best value for their healthcare spend.

3

Keeping Employees Healthy and at Work

Our Care Management and Preventative Health services can help employees proactively manage their health.

4

Helping Employees that are Sick

With on-site services such as a lab, x-ray, ultrasound, hearing, physical therapy, and pharmacy, we provide fast, convenient support to employees when they're sick.

5

Getting Employees Back to Work

Our Care Coach and on-site Physical Therapy teams can help ensure employees are receiving any care needed to get them back to work healthy – and ready to go.

PRIMARY CARE

Solvera Health is a primary care provider and is accepting new patients. If you need to see a physician or are looking for a primary doctor, request an appointment online at **SolveraHealth.com** or call **309-886-9172**. We accept most insurance, including Medicare, and support seniors, families and individuals.
