OFFERING THE CONVENIENCE OF A FULL-SERVICE, ON-SITE PHARMACY

Solvera Health has a focus on making healthcare simple and convenient for all our patients. That's why we have so many on-site services, including a professional pharmacist and full-service pharmacy, to support our primary care providers and their patients.

Our pharmacy is designed to provide a more efficient, quicker patient experience. Our in-house pharmacy has hundreds of generic prescription medications available in 30 or 90-day supplies to make sure you don't run out of the medicines you need.

OUR DEDICATED PHARMACISTS

- > Consult with the physician on medication options
- > Coordinate medication needs across the complete care team
- > Address any medication questions with the patient
- > Fill and provide any needed prescriptions during the visit
- > Improve overall care and outcomes for the patient

A fully stocked pharmacy and dedicated pharmacist can provide the polite and friendly service that every patient deserves – while making the trip to our clinic more efficient and effective.

COMPLETE SERVICES OFFERED

- > **Prescriptions**, medications and special over the counter (OTC) orders
- > **Medication synchronization**
Coordinating refills so they can be picked up on the same day
- > **Medication therapy management**
Helping patients better understand their health conditions and the medications used to manage them
- > **Medication management pocket list** – providing a printed list of all medications and dosages for patients to carry with them
- > **Immunizations**
Flu, Pneumonia, Shingles, TDAP
